

The Framingham Circuit

Newsletter of the Framingham Amateur Radio Association, March 23, 2024 Vol. 91, No. 2

President's Message: It is sad news that FARA has lost its former president, Gordy Bello, K1GB, who held the reins from about September 2005 to June 2012, including Vice President since 2004! I had just joined FARA around that time and remember well his high level of energy and enthusiasm for the hobby, from finding lots of great speakers, to Field Day and the Pizza Parties, to the nets, dinner night outs, and the visits to the shack on Saturdays. See two moving remembrances below. One is by Sumner Weisman, the other is by Andy Boughton, KC1DMM. I wanted to get this edition out fairly quickly and this is the edited version.

Recent activities since last Circuit Vol. 90, #3 in September, 2023

- February 1, 2024: Peter Morrison, AC1KY, did an excellent and well attended presentation on Aircraft Tracking with SDR. We had new member, Jonathan Slawsby, W5GI, from Medfield come to his first meeting. We had guests on Zoom: Jeff Marden, N1JCM and Samir Parikh, K1SIP. We had 13 Zoom check-ins, 10 library check-ins for a total of 23 which may be a record over past few years.
 - Note: **Letter from Samir, K1SIP:** "That was a great presentation by Peter! Thanks for letting me attend. I learned a lot."
- February Simulate Emergency Test, Operation Snow Globe. John, KB1VXY participated on VHF through MMRA repeater (Joe, W1HAI, was NCS), 60 meters channel 5, 75 meters 3930 Khz, and by NBEMS to MA RI Traffic net on 3582.5 KHz.
- March 7, 2024: Bruce Rusch, W1HNZ, presented a well-received talk on 160 and 80 meter receiving antennas. The Bidirectional Beverage at W1HNZ. 10 Zoom check-ins, 12 library check-ins for a total of 22.

Upcoming activities:

- April 4, 2024 Club Meeting: My Tarheel Screwdriver Dipole by Andy Boughton, KC1DMM.
- May 2, 2024 Club Meeting: Club Officer Nominations. Satellite Communications by Fred Kemmerer, AB1OC.
- May 4 and 5, 2024: New England QSO Party
- June 6, 2024 Club Meeting: Club Officer Elections and 2024 ARRL Field Day planning.
- June 22-23, 2024: ARRL Field Day
- August 22-25, 2024: NE HamXposition. Thursday, August 22, 2024 8 PM (Comedian Juston McKinney). Friday night a well known DXer. Saturday night, Tamitha Skov, WX6SWW. Ends Sunday August 25, 2024. It will be at the Best Western Hotel and Conference Center in Marlborough MA. <https://hamxposition.org/>
- Other: How about a Chinese Buffet lunch or dinner? Marlborough, Route 20 Super Buffet? All you can eat. Lunch: Mon, Tues, Thurs, Fri 11:30 am to 3:30 pm \$12.95. Dinner: Mon, Tues, Thurs, Fri 3:30 pm to 9:00 pm \$17.95. Saturday & Sunday All Day Dinner \$21.95

Gordy Bello, K1GB (SK)

Rest in Peace

Former President

2005 - 2011

**Framingham Amateur Radio
Association**

FARA has lost Gordy Bello, K1GB, a key member of our radio club, at age 70. He will be missed. Gordy had Parkinsons disease, and gradually got weaker while living in several nursing homes. He was very proud of his wife Ellen and his daughter Gail. His Dad is Bob Bello, WA1KTY.

Gordy was a ham's ham. He knew everybody, and seldom had a problem getting speakers for our monthly club meetings. For years he managed our annual FARA Flea at Keefe Tech. He was always right on top of all the many details – everything

from selling the vendor tables to remembering to tip the janitor at the end. As always, Gordy did a superb job.

Gordy was a "foodie." He always made sure that we had refreshments at our monthly club meetings. Neal, K1NDF, recently reminded me that he was the "donut guy," and it was his job to bring a dozen donuts to the meetings. Gordy also enjoyed having club outings at restaurants.

My Random Memories of Gordy...

- My wife and I went to the annual Boston Flower Show. There was Gordy, Ellen, and Gail, enjoying the displays.
- Gordy took Gail to ARRL Kids Day several times.
- After Gordy came down with Parkinsons, he once rode with me to ARRL Ham Expo, which was in Boxboro at that time. He had a wonderful time meeting his many friends.
- Gordy enjoyed my few visits after he developed Parkinsons. But he enjoyed constant visits from Andy Boughton, KC1DMM, much more. Andy visited Gordy regularly, right to the end.

Remembrance of Gordy Bello, K1GB (SK)
by Andy Boughton, KC1DMM

I am grateful for Gordy's friendship over the last seven years.

I helped Gordy on the flea markets for a couple years. He was very organized, a trait that I do not have. He had everything down to a well-practiced routine. Our hosts at Keefe loved him since all their interactions with him went so smoothly. He took good care of all the regular volunteers. As a result they all came back year after year. Thanks to Gordy the flea markets went without a hitch.

Ham radio was important to Gordy. On several occasions he explained that the dropping of the code requirement was a true tragedy. He had a T-shirt with a picture of a key and, if I remember correctly, the date "the music died". I don't think I ever told him that I can only copy about 5 WPM. He had many other ham radio shirts which he enjoyed wearing. I was honored when Gordy and Ellen gave me a Field Day shirt last year.

One of Gordy's stories was about convincing a good friend to attend a ham course. He emphasized the free food that would be provided. Apparently the food turned out to be fairly minimal. His friend never let Gordy forget the misrepresentation. But the friend did continue and became a dedicated ham.

I maintained contact with Gordy as his health declined. He always did his best to entertain me and make me feel appreciated. He educated me on many Boston topics including the notable moments in Red Sox history.

Gordy made a warm contribution to my life and I miss him.
