President's Message

WOW, what a winter this has been with record breaking snowfall! This winter certainly has taken its toll in more ways than one.

We had good crowd of about 20 people for movie night. Thank you Dave, K1HT, for bringing the CD of the Southbridge DX pedition. What an operation! Imagine operating literally in the middle of the ocean on top of small rocks, with only a wooden platform to support you and the gear, and the ocean only a few feet below you! And you thought Field Day was "roughing it"!

Can you believe that the FARA Spring Flea Market is only 60 days away?! It will be held on Sunday, April 3 at Keefe Tech. See the flyer elsewhere in this Circuit. Once again, we could use your assistance to set up, help sellers move their ware into the building, taking money at the table and cleaning up at the end. This is a major event for FARA from both a social and financial perspective, which means that we would like to have several donations to our club table manned by Sumner, W1VIV. The club table has traditionally been a major source of income from the flea market, so if you have anything you'd like to donate, get in touch with Sumner.

Another FARA event on the horizon is our famous "License in a Weekend" on March 19 and 20 to be held at the shack. If you know of anyone who is interested in garnering their Technician ticket in short order, then tell them about the course and have them contact Ed, W1NXC. The LIAW has been responsible for bringing many new hams into the fold and has a high success rate. See the attached flyer for more info.

Have you paid your 2011 dues yet? Dues were due on January 1st, so if you haven't yet paid you dues, please send them to FARA, PO Box 3005, Framingham, MA 01705-3005, or send them directly to Tom, N1FTB or pay him at the next general meeting...a much better choice! We would like to see you there!

73, Gordy K1GB
