Harlan Doliner, NE1HD will give a talk on the Coast Guard Auxiliary and their nets.

## President's Message

Hello.

I hope everyone had a an enjoyable summer.

We have had considerable success in selling some of the underutilized assets the club has been storing in the Danforth building, though we still have a lot to do.

This month's speaker will be Harlan Doliner, NE1HD, who will talk on the Coast Guard Auxiliary and their nets. The meeting will be in the Framingham Police Department Training Room at 7:30 this coming Thursday (1 September). I hope to see you there.

Also upcoming is the Boxborough Hamfest - 9-11 September. Information on this is available at <http://boxboro.org/2016/index.html> - the program is downloadable. They're still looking for volunteers - contact [kb1oiq@boxboro.org](mailto:kb1oiq@boxboro.org) if you're interested.

As I mentioned in my closing remarks from last season, FARA functions due to the involvement of our members. Whether its monthly meetings, operating the club station during contests, supporting public events, or helping out with our Flea Market, these activities are not possible without the support and participation of our members. We will be having a board meeting in the near future to discuss and plan our activities for the coming year(s). Please consider attending.

One mistake I should correct from that issue was failing to credit Eric as our Flea Market Coordinator - he did a great job. Sorry, Eric, for the oversight.

Paul, N1VAM
