

***** The Framingham Circuit *****

----- FARA Meeting - this Thursday Dec. 7th 1989 -----
<<< Program: Show & Tell and Holiday Pig-out >>>

- The QRN Corner -

This year we've tried a couple of new things; Sunday brunches and Saturday morning station openings. The latter has proved very popular while the brunches have not attracted much interest and will be dropped.

For those unaware of it, the club station is open every Saturday morning from 9am to noon (or later). Usually 6 to 8 members drop in. Some go on the air; but most of us just sit around, drink coffee, munch donuts, and enjoy each others company. There's something very pleasant about having an eyeball (qso) on a cold winter's morning, the smell of coffee, fresh donuts, and a just fried final (amp) wafting through the air.

If you haven't been down to the station recently, stop by. We have a rug and window shades, a new antenna tuner, a second backup rig (a Drake TR-4 that needs a little work). We are also replacing the coax feedlines with RG-213.

Come and join us.

It's Antenna Time

Now that December's icy winds are upon us, it's time to get to work on that antenna of your's. As for myself (W1IBN), I have a 54' tower and a beautiful delta loop beam ...on the ground. I have the habit of putting things off. Take this short article, I'll be sure to come back and finish it lat....

--- This Meeting ---

This coming meeting we are having a little different type of program; it'll be a cross between "Show and Tell" and "Hints and Kinks". We all have a piece of equipment, or a way of doing something, that we really find particularly useful. Bring it and show it to us (forget about hauling in your 10Kw linear), or tell us about it.

For me (W1IBN) it's my Datong Audio Filter, for you it might be a headset, keyer, or a trick you use to crack a pile-up.

Following the "Show & Tell" program will be the Grab and Stuff part of the evening. Bring XMAS goodies (optional) and an appetite (mandatory).

***** CLUB ROSTER *****

A FARA Club roster is being compiled and will be distributed around the first of the year. If you do NOT wish to be listed, or do not want your phone number listed; please return the coupon below, by Dec. 15th. Please return to:

Dick Landau (W1IBN)
41 Simpson Drive
Framingham, MA 01701

- I do NOT wish to be included
- Don't include my phone number
- OK to list my call, but don't list my name, address, or phone number (hi)

Name: _____
Call: _____
